

Chantry Quire – Information for Concert 27th November 2021

Venue and Parking

St Mary's Petworth GU28 0QX

There is pedestrian access to the church from Church St and vehicular access from North St – the latter is just past a sharp bend and requires a very tight turn into the church drive through iron gates. It is fiendish to get in and a deathtrap to get out – so please can we all park in the town* and leave the limited parking in the church grounds for the instrumentalists and soloists.

*There is some parking in the street and 2 car parks with low charges.

Timing

The Pianists, Timps and soloists will rehearse from 2.30 but we need volunteers to set up choir chairs etc before this and to clear away at the end. Other members arrive at 3.15 to be ready for a prompt 3.30pm start for the rehearsal, which will finish around 5.30pm.

We have the use of the kitchen. We can also use the Marchant Room as a green room and lock it during the concert, so your valuables will be safe. Please bring yourself something to eat if you are staying at the church. Eleanor will bring tea and coffee for those staying.

The concert starts at 7.30pm so we need to be ready soon after 7pm.

Please can everyone return any borrowed music afterwards to Nick Steinitz as per his instructions.

Concert Dress

Ladies – long black dress, or skirt or dressy trousers (no jeans please) and top – long or ¾ length sleeves, black shoes.

Men – black trousers with open neck black shirt, (no tie), (no jacket) black shoes.

Folders – everyone needs to have a black folder – so please borrow or buy yourself one if you don't have one already.
